

Virginia 4-H Contest Guide- Extemporaneous Speaking

Description of Contest

Extemporaneous Speaking challenges contestants to think quickly and prepare a speech on an assigned topic with little preparation. Participants will draw three possible topics, choose one, prepare for 15-30 minutes, and then deliver a 2-5 minute speech response.

Levels of Competition

Unit (county), District, State

Age categories are as follows, using September 30th of the 4-H year as the determining date. The exception is for national contests, in which January 1 or another date may be used. It is the contestant's responsibility to check national rules for age deadlines.

Juniors (ages 9-11)

Intermediates (ages 12-13)

Seniors (ages 14-18)

Awards to be Earned

The Danish awards system will be used at all levels of competition. Blue ribbons will be awarded to competitors earning 90-100 points; red ribbons will be awarded to competitors earning 75-89 points; white ribbons will be awarded to competitors earning 74 points or less.

Certain Extension districts award a purple ribbon to the highest scoring youth in the category. At the state contest, the highest scoring youth will be awarded a project medal. Youth who win the state project medal are ineligible to compete in that category in future years.
